

## Current Gopher Review Process

MPG reviews are currently tied to an underlying application

The appropriate Application Fee is charged and collected when an application is submitted

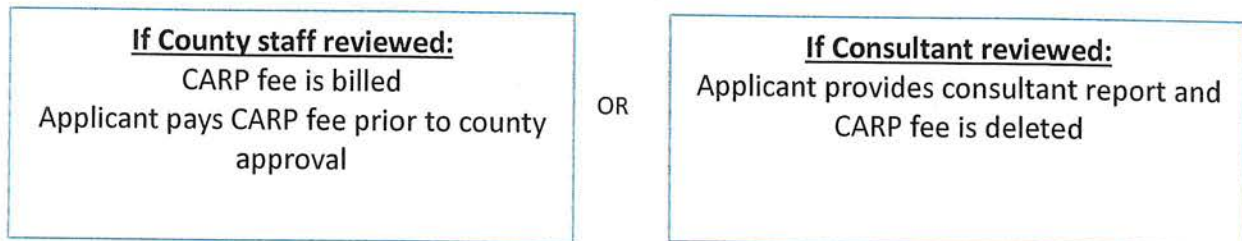

- Land Use Application: Subdivision, Special Use, etc (fee varies)
- Building Permit Application/CSA (planning fee is \$398 for 2 hours)
- Septic Permit Application/CSA (planning fee is \$398 for 2 hours)
- Residential Critical Area Review Permit (planning fee is \$398 for 2 hours)

**THEN THE ADDITIONAL GOPHER REVIEW FEE IS ADDED TO THE PROJECT BASED ON OT SIZE**

Site Review is scheduled / occurs

if No Evidence of MPG found at site review

**County issues gopher only CARP:**  
3 year approval of review  
Project Review proceeds

### Notes:

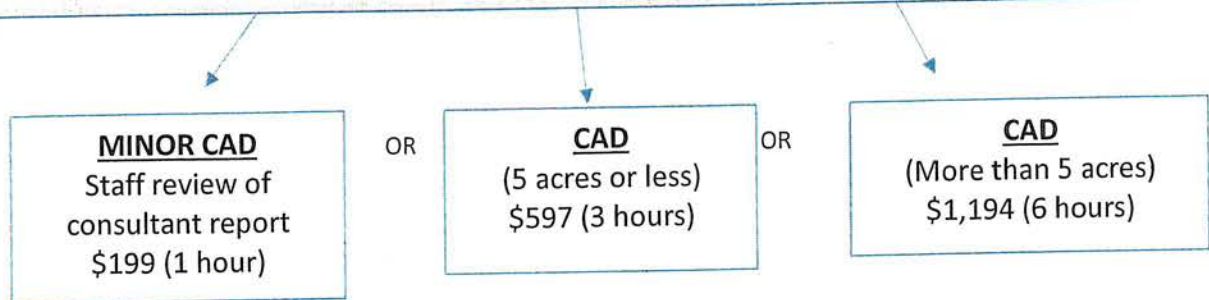

- CSA: (Conditional Site Approval)
- CARP: (Critical Area Review Permit)
- CARP provides 3 years of review approval per CAO

## New Gopher Only CAD

No underlying project application required

THE GOPHER REVIEW FEE IS COLLECTED WHEN THE GOPHER ONLY CAD APPLICATION IS SUBMITTED. FEE BASED ON LOT SIZE

APPLICANTS SUBMITTING COMPLETED CONSULTANT REPORT PAY A LOWER FEE.

Site Review is scheduled / occurs

if No Evidence of MPG found at site review

County issues gopher only CAD:  
3 year approval of review

### Notes:

- CSA: (Conditional Site Approval)
- CAD: (Critical Area Determination)
- CAD: Will provide a 3 year validity when CAO code is changed.
