Planning Commission actions are in the form of recommendations to the County Commissioners, who are the final decision-makers. All Planning Commission meetings are open to the public. Citizens are welcome to observe all Planning Commission briefings and work sessions. Public comment is allowed on those topics for which public hearings have not been held.

AGENDA

The items as listed do not signify a set order in which they will be held. The order in which they will be held is at the discretion of the Chair. Only public hearings will be held at the time specified. The meeting/hearing may not take the time allotted and the Commission will adjourn when all business has been completed.
