FOLLOW UP ITEMS FROM PUBLIC HEARING

CORRECTION TO ERROR IN SPECIAL USE PERMIT TABLE

AOD – change made in error.

- AOD is an overlay to primary zoning
- AOD does not further restrict uses in that area, it only allows for additional uses
- Mineral Extraction will still be allowed in any underlying zoning designation where it is permitted under Table I and is also designated as MRL
- **Staff recommendation:** Planning Commission provide a motion to remove “X” under AOD in TCC 20.54 Table I, for clean up and clarification.
