**Meetings with stakeholder interest groups on specific topics within the proposed Shoreline Master Program**

- **Develop SMP Chapters for review/discussions**
- **Review SMP Chapters and decision points/topics with STAG, Public, and Planning Commission**
- **Make updates to SMP chapters based on comments**
- **Review and evaluate any documents or papers needed for possible inclusion in SMP**
- **Prepare for Planning Commission Public Hearing on SMP Chapters**
- **Prepare DRAFT SMP and prep for Board of County Commissioners process**

---

**Legend**

- **Planning Commission Meetings**
- **Community Meeting and Input Period**
- **Technical Group Meeting**
- **Stakeholder / Interest Group Meetings**
- **SMP review milestones**
  - Initial Approach Discussion and Feedback
  - "Second Touch" Review and Discussion

Notes:

- Meeting materials will be available online at:
- Meetings will be conducted as open public meetings.

Technical Group meetings will include an initial review topic(s) with new material and a "second touch" of material previously discussed at the earlier meeting.

---

**This is an adaptive process and can change as a result of stakeholder feedback, community engagement, and other conditions.**
