

Wireless Communication Code Amendments

Title 20.33, Wireless Communication Facilities and Antenna Support Structures; Title 20.03 Definitions; and Title 20.54 Special Use*

Planning Commission
August 3, 2022

Changes

- ❖ 20.54.015 Approval Authority
Include (2) Hearing Examiner Approval in draft bill format.
- ❖ 20.33.060 Application Requirements
Edit (G) Waiver of Submittal Requirements. The approval authority or their designee may waive any submittal requirement upon determination that the required submittal, or part thereof, would prohibit or have the effect of prohibiting wireless communications ~~or is otherwise not needed for review for compliance with this chapter.~~
It is the intent of the County that waivers authorized under this section will only be used in rare occasions based upon unique, site-specific factors. A waiver, to be effective, must be in writing and signed by the approval authority.

Draft Motion for Recommendation

Move to recommend approval of Development Code Docket Item A-19, Wireless Communication Facilities, which repeals and replaces Chapter 20.33 Wireless Communication Facilities and Antenna Support Structures, and amends Chapter 20.03 Structure, Interpretation and Definitions, and Chapter 20.54 Special Uses.
