Application fee if applicable	\$563.16 plus \$112.63 per hour for every hour in excess of five hours

1. Preliminary review and Will Serve Letter fees are due to Development Services at application.
2. Plan checks which require more than two reviews, beginning with the third review; those hours will be billed at the hourly rate of \$112.63
3. The number of vacuum pits is determined by the number of residential units. Inspectors will charge an hourly rate for vacuum pit inspections. For example, it's estimated that it will take thirty minutes to inspect a vacuum pit. Therefore, eighteen vacuum pits at thirty minutes per inspection results in nine hours of inspection. At \$80.14 per hours for nine hours the total vacuum pit inspection fee will be \$699.30.
4. Final review and processing fees are due when final plat is requested by the applicant.
