NOTICE IS HEREBY GIVEN by the Board of Commissioners of Thurston County,
Washington, pursuant to RCW 36.32.120(7) and RCW 36.165, that a public hearing will be held on:

XXX XX, 2021, AT X:XX P.M. (or as soon as possible thereafter)
COMMISSIONERS' HEARING ROOM,
THURSTON COUNTY COURTHOUSE
2000 LAKERIDGE DR SW
OLYMPIA, WASHINGTON 98502

BACKGROUND

Chapter 36.165 RCW authorizes counties to establish a Commercial Property Assessed Clean Energy and Resiliency ("C-PACER") program to allow free and willing owners of agricultural, commercial and industrial properties, and of multifamily residential properties with five or more dwelling units to obtain affordable, long-term financing for qualifying improvements, including energy efficiency, water conservation, renewable energy, and resiliency measures such as seismic retrofits, flood mitigation, stormwater management, wildfire and wind resistance, energy storage, and microgrids. In addition, pursuant to the authority granted under RCW 36.165, the County further finds and authorizes fire suppression as a resiliency measure. Repayment of loans for C-PACER qualifying improvements requires a voluntary assessment on the property, secured by a county lien, and assigned to a Capital Provider for the administrative aspects of billing, collecting, and enforcing the lien, without cost to the county and without the creation of a personal debt obligation to the Property Owner. The obligation is instead carried by the property and remains with the property until repaid, regardless of any potential transfer of property ownership.

PURPOSE OF PUBLIC HEARING

The purpose of the above scheduled public hearing will be for the Board of Commissioners to consider public testimony and take action on the adoption of an Ordinance to establish a Commercial Property Assessed Clean Energy and Resiliency program within the jurisdictional boundaries of Thurston County.

The full text of the proposed Ordinance to be considered by the Board of Commissioners provides as follows:

ORDINANCE NO. _____

AN ORDINANCE OF THE BOARD OF COMMISSIONERS OF THURSTON COUNTY, WASHINGTON, ENACTING A COMMERCIAL PROPERTY ASSESSED CLEAN ENERGY AND RESILIENCY (C-PACER) PROGRAM WITHIN THURSTON COUNTY; DESIGNATING OFFICIAL OR OFFICIALS TO ADMINISTER THE PROGRAM AND EXECUTE NECESSARY DOCUMENTS TO ENABLE C-PACER FINANCING WITHIN THURSTON COUNTY; APPROVING THE PROGRAM GUIDEBOOK AND RELATED DOCUMENTS REQUIRED TO IMPLEMENT THE PROGRAM; AND PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO.

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THURSTON COUNTY, WASHINGTON, as follows:

SECTION 1: Establishment.

There is hereby established within the boundaries of Thurston County (the “County”) a Commercial Property Assessed Clean Energy and Resiliency (“C-PACER”) program (the “Program”) in accordance with Chapter 36.165 RCW (the “C-PACER Act”). The County finds that it is convenient and advantageous to establish the Program, at no net cost to the County, in order to finance Qualified Projects (as hereinafter defined), repaid by a voluntary assessment on the property benefited by such Qualified Projects, and that the Program is in the public interest, providing for the safety, health, and environmental public benefits, and provides for economic development of the community. The Program shall allow financing for the full range of Qualified Improvements on all Eligible Properties, as authorized by the C-PACER Act, and shall abide by and operate according to the C-PACER Act.

SECTION 2: Definitions

The definitions in this section apply throughout this Ordinance unless the context clearly requires otherwise.

- (14) “Qualified Improvement” means a permanent improvement affixed to real property and intended to: (a) decrease energy consumption or demand through the use of efficiency technologies, products, or activities that reduce or support the reduction of energy consumption, allow for the reduction in demand, or support the production of clean, renewable energy, including but not limited to a product, device, or interacting group of products or devices on the customer's side of the meter that generates electricity, provides thermal energy, or regulates temperature; (b) decrease water consumption or demand and address safe drinking water through the use of efficiency technologies, products, or activities that reduce or support the reduction of water consumption, allow for the reduction in demand, or reduce or eliminate lead from water which may be used for drinking or cooking; or (c) increase resilience, including but not limited to seismic retrofits, fire suppression, flood mitigation, stormwater management, wildfire and wind resistance, energy storage, and microgrids.
- (15) “Qualified Project” means a project approved by the Program Administrator, involving the installation or modification of a Qualified Improvement, including new construction or the adaptive reuse of Eligible Property with a Qualified Improvement. Together, Qualified Improvements, inclusive of all related and eligible costs pursuant to RCW 36.165 that are to be financed as described in a Project Application and approved by the Program Administrator, are a Qualified Project.

SECTION 3: Territory.

The Program shall be available to all Eligible Property within the following Region, defined by the County in accordance with RCW 36.165, within the boundaries of the County, including both incorporated and unincorporated territory. The Program Administrator shall review and approve the Project Applications submitted in accordance with the Program Guidebook, collect any fees, execute the documents required by the Program Guidebook to enable a C-PACER Financing, and record the documents requested by the Property Owner and Capital Provider.

- B. No services, including but not limited to energy audits, project development, or other activities associated or related to the development of a Project Application or installation of Qualified Improvements shall be offered through the C-PACER Program unless priced separately and open to purchase by the Property Owner from third parties.

SECTION 5: C-PACER FINANCING

A. C-PACER Financing, under Chapter 36.165 RCW, is to be provided by Capital Providers through a Financing Agreement entered into with the owner of an Eligible Property to fund a Qualified Project.

B. The C-PACER Financing through a program established under this Ordinance may include:

- (1) The cost of materials and labor necessary for installation or modification of a Qualified Improvement;
- (2) Permit fees;
- (3) Inspection fees;
- (4) Financing or origination fees;
- (5) Program application and administrative fees;
- (6) Project development and engineering fees;
- (7) Third-party review fees, including verification review fees;
- (8) Capitalized interest;
- (9) Interest reserves;
- (10) Escrow for prepaid property taxes and insurance; or
- (11) Any other fees or costs that may be incurred by the Property Owner incident to the installation, modification, or improvement on a specific or pro rata basis.
- (12) Any other costs or fees as outlined in the Program Guidebook.

C. Prior to entering into a Financing Agreement, the Capital Provider must receive written consent from every holder of a lien, mortgage, or security interest in the real property that will be subject to the Assessment and C-PACER Lien agreeing that the property may participate in the program and that the C-PACER Lien will take precedence over all other liens except for a lien for taxes. Additionally, prior to entering into a Financing Agreement on an Eligible Property that is a multifamily residential property with five or more dwelling units, the Program Administrator must also receive written consent from any holder of affordable housing covenants, restrictions, or regulatory agreements in the real property as a condition precedent to the participation in the program by the property agreeing that the property may participate in the program and that the C-PACER Lien will take precedence over all other liens except for a lien for taxes.

D. The proposed C-PACER Financing for a Qualified Project may authorize the Property Owner to:

- (1) Purchase directly the related equipment and materials for the installation or modification of a Qualified Improvement; and
- (2) Contract directly, including through lease, power purchase agreement, or other service contract, for the installation or modification of a Qualified Improvement.

SECTION 6: C-PACER Lien

A. The C-PACER Lien amount, plus any interest, penalties, and charges accrued or accruing on the C-PACER Lien: (a) takes precedence over all other liens or encumbrances except a lien for taxes imposed by the state, a local government, or a junior taxing district on real property, which liens for taxes shall have priority over such C-PACER Lien, provided existing mortgage holders, if any, have provided written consent described in section 5.C of this Ordinance; and (b) is a first and prior lien, second only to a lien for taxes imposed by the state, a local government, or a junior taxing district against the real property on which the C-PACER Lien is imposed, from the date on which the notice of the C-PACER Lien is recorded until

the C-PACER Lien, interest, penalties, and charges accrued or accruing are paid.

B. The C-PACER Lien runs with the land, and that portion of the C-PACER Lien that has not yet become due is not accelerated or eliminated by foreclosure of the C-PACER Lien or any lien for taxes imposed by the state, a local government, or junior taxing district against the real property on which the C-PACER Lien is imposed.

C. Delinquent installments due on a C-PACER Lien incur interest and penalties as specified in the Financing Agreement.

D. After the C-PACER Lien is recorded as provided in this Ordinance, the voluntary assessment and the C-PACER Lien may not be contested on the basis that the improvement is not a Qualified Improvement or that the project is not a Qualified Project.

SECTION 7: Application and Review

A. A Property Owner and Capital Provider shall complete a Project Application and submit it to the Program Administrator for review.

B. The Project Application shall require:

1. An attestation by the Property Owner that the project is a “Qualified Improvement” as defined by Section 2(13) of this Ordinance and, if applicable, the Program Guidebook.

2. For an existing building seeking improvements (a) where energy or water usage improvements are proposed, a certification by a licensed professional engineer or other professional listed in the guidebook, stating that the proposed Qualified Improvements will either result in more efficient use or conservation of energy or water, the reduction of greenhouse gas emissions, the addition of renewable sources of energy or water, or the reduction of lead in potable water; or (b) where resilience improvements are proposed, a certification by a licensed professional engineer stating that the Qualified Improvements will result in improved resilience and savings in insurance, improved property values, or other benefits sufficient to leverage financing of those improvements.

3. For new construction, a certification by a licensed professional engineer or other professional listed in the Guidebook stating that the proposed Qualified Improvements, individually, or acting as a whole, will enable the project to exceed the energy efficiency or water efficiency or renewable energy or resilience requirements of the current building code of the County.

C. The Program Administrator shall review the application according to the Application Checklist solely to determine whether it is complete, proposes a “Qualified Improvement,” contains no errors on its face, and that all information is provided in the substance and form required by the Application Checklist. If so, the Program Administrator shall sign the checklist indicating that the Project Application is deemed approved. If a Project Application is incomplete and/or does not conform to the requirements of the Application Checklist, the Program Administrator shall inform the applicant as soon as practicable that the application is denied, the reasons for the denial, and any corrections that could make the application acceptable. If feasible, the applicant shall have an opportunity to correct the application.

D. Upon approval of a Project Application, a Property Owner or Capital Provider shall provide the following completed forms to the Office of the County Commissioners for execution at least five (5) days prior to close of the C-PACER transaction, along with a requested date for recordation of the Assessment Agreement, Notice of Assessment Interest and C-PACER Lien, and Assignment of Notice of Assessment

and Assessment Agreement. Expedited service may be available for a fee to be determined by the Office of the County Commissioners.

E. The County shall record in its real property records the Assessment Agreement, the Notice of Assessment Interest and C-PACER Lien, and the Assignment of Notice of Assessment and Assessment Agreement, at the date requested by the Property Owner and Capital Provider or, at the request of the Property Owner and the Capital Provider, the executed documents may be delegated for recordation by the parties to the C-PACER transaction.

F. For a Property Owner and Capital Provider whose Project Application is denied by the County's Program Administrator, either party, or both, may request an adjudicative proceeding before the County's adjudicative body, consistent with the County's rules and subject to the applicable provisions of Washington's Administrative Procedures Act, RCW 34.05.

5. A form Assignment of Notice of Assessment Interest and Assessment Agreement.
6. A statement that the period of the Financing Agreement will not exceed the useful life of the Qualified Project, or weighted average life if more than one Qualified Improvement is included in the Qualified Project.
7. A description of the application and review process established under Section 7 of this Ordinance.
8. A statement explaining the lender consent requirement under the C-PACER Act.
9. A statement explaining the requirements for qualifying as a Capital Provider for this Program.
10. A statement that the County has no liability as a result of the agreement and a statement that neither the County, its governing body, executives, or employees are personally liable as a result of exercising any rights or responsibilities granted under this Ordinance, especially and including all actions related to, or arising from, administering the program.
11. A description of the marketing and participant educational services, if any, provided in support of the program.

B. The Program Guidebook and forms may be updated by the Program Administrator without approval by the Board of Commissioners, so long as it complies with this Ordinance and RCW Chapter 36.165.

SECTION 9: Collection and Enforcement

A. Collection and enforcement of delinquent C-PACER Liens or C-PACER Financing installment payments, including foreclosure, shall remain the responsibility of the Capital Provider.

B. Pursuant to the Assessment Agreement, the C-PACER Lien shall be solely enforced by the Capital Provider at any time after one year from the date of delinquency in the same manner that the collection of delinquent real property taxes is enforced by the County, by prosecution of foreclosure proceedings under chapter 84.64 RCW et seq. This includes the provisions of RCW 84.64.040, excepting that a sworn

declaration by the Capital Provider or assignee attesting to the assessment delinquency of at least one year shall be used in lieu of the certificate of delinquency required under RCW 84.64.050. The sworn declaration shall have the same legal standing as a certificate of delinquency enumerated in RCW 84.64.050.

C. Chapter 36.165 RCW provides that “collection and enforcement of delinquent C-PACER liens or C-PACER financing installment payments, including foreclosure, shall remain the responsibility of the capital provider” and that “the capital provider or their assignee shall have and possess the same powers and rights at law or in equity to enforce the C-PACER lien” in the “same manner that the collection of delinquent real property taxes is enforced by the county under chapter 84.64 RCW.” As such, the County shall have no obligation to prosecute the foreclosure of a C-PACER Lien on behalf of the Capital Provider, and the Capital Provider, by accepting an assignment of a C-PACER Lien pursuant to an Assignment of Notice of Assessment and Assessment Agreement, shall assume to the greatest extent permissible under applicable law, the obligations, responsibilities and duties of the County in respect of the enforcement and foreclosure of a C-PACER Lien under chapter 84.64 RCW, including, without limitation, those obligations, responsibilities and duties of both the County prosecuting attorney and the County treasurer. Notwithstanding the foregoing, to the extent that the Capital Provider is not legally permitted to perform, or is practically incapable of performing, any obligation, responsibility or duty of any County official under chapter 84.64 RCW, then, upon certification from the Capital Provider that all preconditions to such action have been satisfied, the applicable County official shall take such action as may be necessary to permit the Capital Provider to prosecute the foreclosure to completion. Without limiting the foregoing, the County treasurer is authorized and directed to execute a tax deed in accordance with RCW 84.64.080 to the purchaser of an Eligible Property at a sale conducted by Capital Provider under chapter 84.64 RCW, or, if no other bids are received at such sale, to the Capital Provider in accordance with RCW 84.64.200.

SECTION 10: Fees.

An application fee of \$500 shall be paid to the County when the Project Application is submitted.

Upon approval of an application by Property Owner and a Capital Provider, and prior to recordation of documents for a C-PACER transaction, the parties shall pay a fee equal to 1% of the financing amount of the C-PACER transaction, with a minimum fee of \$2,500 and a cap on the fee of \$15,000, as a good faith estimate of the costs of establishing and implementing the Program, to the County to make the costs of the C-PACER program cost-neutral.

SECTION 11: Enactment.

The provisions of this Ordinance are hereby declared to be severable and if any section, phrase or provision shall for any reason be declared by a court of competent jurisdiction to be invalid or unenforceable, such declaration shall not affect the validity or enforceability of the remainder of the sections, phrases and provisions hereof. All Ordinances, orders, resolutions, and parts thereof in conflict herewith are to the extent of such conflict hereby repealed upon the effectiveness of this Ordinance. No provision of the County Code or violation of any provision of the County Code shall be deemed to impair the validity of this Ordinance or the instruments authorized by this Ordinance or to impair the security for or payment of the instruments authorized by this Ordinance; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the County Code. In the event and to the extent of a conflict between this Ordinance and chapter 36.165 RCW, chapter 36.165 RCW shall govern.

SECTION 12. Effective Date.

This Ordinance shall take effect ten days after enactment. The County shall begin accepting applications for review no later than sixty (60) days after the effective date.

SECTION 13: No Liability. No Public Funds.

A. This Ordinance does not confer any right of action nor property interest upon any party to a C-PACER transaction against the County, and the County shall incur no liability for enacting this Program, nor shall the County, its governing body, executives, or employees be personally liable as a result of exercising any rights or responsibilities granted under this Ordinance.

B. The County shall not enforce any privately financed debt under this Ordinance. The County shall not use public funds to fund or repay any loan between a Capital Provider and Property Owner. No section under this Ordinance shall be interpreted to pledge, offer, or encumber the full faith and credit of the County, nor shall the County or any local government within the County pledge, offer, or encumber its full faith and credit for any lien amount through a program.

Any person may appear at the date, time and place set forth hereinabove and present testimony in favor of or in opposition to the proposed Ordinance. The Board of Commissioners has concluded that the proposed Ordinance is exempt from the State Environmental Policy Act pursuant to WAC 197-11-800(14)(f) and (14)(h).

To create the opportunity for everyone attending the public hearing to speak, testimony may be limited to three (3) minutes per speaker. The Board of Commissioners reserves the right to adjust the time frame allotted to speakers as well as hearing procedures during the public hearing.

Any persons desiring additional information on the proposed Ordinance may contact Ramiro Chavez, Thurston County, County Manager, 2000 Lakeridge Drive SW, Olympia, Washington 98502, or (360) 786-5440.
