ADDENDUM NUMBER 2

March 16, 2020

TO: ALL INTERESTED PARTIES RESPONDING TO THE ABOVE LISTED RFQ

The following items are to notify you of requirements in the above listed RFQ. This addendum shall become part of the above-referenced document per section 2.3. Documents for the project shall be modified as follows:

Due to the COVID-19 situation the Thurston County Board of County Commissioners (BOCC) have indefinitely delayed the Courthouse project ballot measure that was scheduled to go before the citizens for vote on April 28, 2020. Request for Qualifications (RFQ) BOCC-2020-001, On-Call Professional Consulting Services, Thurston County Capital Projects is CANCELLED. Should the BOCC decide in the future to put the Courthouse project back on the ballot, it is anticipated that the RFQ for PM/CM Consultant Services would be resolicited.

Thank you.
