ADDENDUM NUMBER 3

March 5, 2018

TO: ALL INTERESTED PARTIES RESPONDING TO THE ABOVE LISTED RFQ

The following items are to notify you of requirements in the above listed RFQ. This addendum shall become part of the above-referenced specification and shall be acknowledged on the response form on page 4 of the RFQ. Documents for the project shall be modified as follows:

Question and Answer:

The RQF shall be amended to include the following:

Question:

“As we will still need some Civil Engineering services to connect to the expansion, was it the County’s intention or preference that we use the services of the firm you are now contracting with or could we include another firm in our RFQ response?”

Answer:

The consultant will be required to coordinate with the County’s existing civil engineering consultant - on future contract connection points, the existing civil engineering consultant will have been already on board at that point and tasked with storm water mitigation of current site and that of future structural expansion plans.
