

THURSTON COUNTY
CENTRAL SERVICES DEPARTMENT

REQUEST FOR PROPOSALS
FOR
AERIAL PHOTOGRAPHY

March 16, 2018

NOTICE

Thurston County, Washington (the County) is seeking proposals for collection of aerial photography. Specifically, the County is requesting services of a qualified Photogrammetric Consulting firm to provide the following products: Countywide rectified digital true color ortho-photography (RGB) at a six-inch pixel resolution and countywide rectified digital color Infra-Red photography (CIR) at six-inch pixel resolution, with optional three-inch pixel resolution (RGB and CIR) for Urban Growth Areas.

The RFP documents can be viewed on the Internet at www.thurstoncountywa.gov OR by calling Thurston County Central Services at (360) 867-2096.

Proposals must be received **no later than 4:00 p.m. PDT on April 13, 2018**, and should be clearly marked with the following information: Thurston County Central Services Department, Aerial Photography RFP 2000 Lakeridge Dr, SW, Building 1, Room 035, Olympia WA 98502.
