

Request for Proposals for Medical Services in Juvenile Detention Center

The Thurston County Juvenile Court/Detention Center is seeking a qualified agency/individual/business to provide basic medical services for youth in our Detention Center.

Requirements: Individual or business with proper accreditation and the ability to provide Physician's Assistant/Nurse Practitioner level medical services for court involved youth, through *phone consultation* and at our *physical location*: 2801 32nd Avenue SW, Tumwater, WA 98502.

The amount of time required fluctuates depending on the medical needs of our detention population. Anticipated amount of time per week for medical services is 10 hours per week.

Combined hours are to examine youth with medical complaints, prescribe, review and approve medications, process paperwork, provide consultation and complete miscellaneous medical duties. Flexibility is necessary to provide all needed services on an ongoing basis.

Please complete a proposal with:

- Your provider certification and experience;
- Three (3) professional references and;
- Provider insurance information and hourly rate.

Questions regarding this information and your proposal can be submitted to:
