Please see the following questions and answers:

Q. Relative to the RFP above, could you please confirm/clarify that upon training from the successful bidder, all collections will be conducted by Sherriff's Office staff and packaged for transportation to the lab. The successful bidder will not be conducting collections, but will "take over" from the time of sample pick up, to result reporting to the Sherriff's office.

A. Yes, all collections will be conducted by the Sheriff's Office staff and packaged for transportation to the lab. Successful bidders will not be conducting collections.
