Decision Making Process: (From our ground rules)

- Upcoming decisions will be included in the meeting agenda.

- Strive for substantial consensus.
- Both majority and minority opinions, viewpoints, concerns will be noted.
- To be clear, at times the facilitator will ask for a thumbs-up, thumbs-down indication from committee members.
- To reconsider a decision, we will follow a 2-stage process. Generally, this will be done only if something substantial has changed since the decision was made.
  - The committee discusses and decides whether to reconsider the decision.
  - If yes, the issue will be placed on a future agenda for discussion and decision.
