Dear Mr. and Mrs. Clements,

On June 13, 2023, the Board of Thurston County Commissioners approved your application to enroll 4 acres in current use classification under the Open Space Tax Program. Attached is a Notice of Approval—please keep this notice for your records. Also attached is the Open Space Taxation Agreement, which the chair of the Board of County Commissioners has signed.

You will receive a copy of the taxation agreement with an Auditor's File Number once the agreement is recorded at the Thurston County Auditor's Office. If you have any questions, please contact me at [marisa.whisman@co.thurston.wa.us](mailto:marisa.whisman@co.thurston.wa.us)

Sincerely,

Marisa Whisman
